Halvorsen Robotics - Q3 2026 Internal Sales Report (Confidential)

Headline numbers

Total revenue in Q3 2026 was EUR 18.4 million, up 22 percent from Q2 2026. Gross margin was 41 percent. Customer churn for the quarter was 3.1 percent.

Regions

The Nordics region was the top-performing region with EUR 7.9 million in revenue, followed by DACH with EUR 5.2 million and Benelux with EUR 3.0 million. The remaining revenue came from other European markets.

Key customers

The largest customer by volume was Bellmark Logistics, which ordered 212 units of the Osprey ground robot. The second largest was Fjordline Cold Storage with 96 units.

Outlook

Sales leadership expects Q4 2026 revenue between EUR 19 and 21 million, driven by the Kestrel pilot programme and a renewal of the Bellmark contract.
